# Data Collection (2)

HYГ Seminar 4  
3 March 2020

Dr. Caroline Schlauffer, [cschlauffer@hse.ru](mailto:cschlauffer@hse.ru)

# Today's objectives

- Discuss progress of data collection
  - Challenges
  - Next steps

- Have you collected all data that you were supposed to collect?
- Have you copied all texts into the folders and added them to the excel file?
- What problems and questions do you have?

# Where are we with data collection?

- 702 texts in excel file
  - 364 Renovatsiia
  - 160 Transport
  - 178 waste management

# The data

Renovatsiia:	Transport:	Waste management
<ul style="list-style-type: none"><li>– Government websites</li><li>– Facebook and Vkontakte group discussions</li></ul>	<ul style="list-style-type: none"><li>– Government websites</li><li>– Blogs</li><li>– Expert websites</li><li>– NGO websites</li><li>– Online media (moskvich mag...)</li></ul>	<ul style="list-style-type: none"><li>– Government websites</li><li>– Blogs / Blogs on Vkontakte</li><li>– Expert opinions on Vkontakte</li><li>– NGO websites</li><li>– NGO social media</li></ul>

# Governmental websites

Renovatsiia:	Transport:	Waste management
<ul style="list-style-type: none"><li>– Official websites: (stroi.mos.ru / fr.mos.ru / archsovet.msk.ru)</li></ul>	<ul style="list-style-type: none"><li>– Blog Sobyenin</li></ul>	<ul style="list-style-type: none"><li>– Blog Sobyenin</li><li>– mos.ru</li><li>– ag.mos.ru</li><li>– дума.mos.ru</li><li>– kremlin.ru</li></ul>
201 texts (out of 364)	8 texts (out of 160)	17 texts (out of

# What we still need to collect

- **Transport and waste:**
  - **Need more governmental texts**
  - Official websites of respective departments
  - mos.ru (transport)
- **Renovatsiia:**
  - Blog Sobyenin ✓
- **Renovatsiia and transport:**
  - ag.mos.ru and дума.mos.ru ???

# Who does what?

## **To increase government sources**

- Search texts in Moskva24 (and in Moscow perspective if there is not sufficient sources in Moskva24):
  - Masha transport
  - Dilyara waste management
- Check for official social media accounts of the Moscow government and Sobyenin
  - Dilyara for waste management

# Who does what?

- TV Interviews Sobyenin: let's wait, Andrea checks for transcripts and transcription software
- Include interviews with different politicians in media available online
  - for waste and transport
- Include the Navalny website
  - for waste and transport
- Renovatsiia: just include most liked posts

# Next steps

- Finalize data collection next week (13 March). Feasible?
- Next seminar: **31 March, 3 – 6 pm**
  - **Topic:** How to code documents
- **13 March deadline** presentation HSE April conference
  - Our presentation: **Friday 10 April, 10 am**

## SECTION N. POLITICAL PROCESSES. SPECIAL SEMINARS WITH PRESENTATIONS OF HSE UNIVERSITY'S RESEARCH RESULTS
